Sedona St. Patrick's Day Parade

Safety Rules

These rules are provided to create a safe parade experience for participants, spectators and event staff. Failure to follow these rules may result in immediate removal of your entry from the parade. We appreciate your cooperation in continuing to make this a safe and enjoyable community event.

These rules were developed from reviewing accidents from other parades across the United States that resulted in a serious injury or fatality. Fortunately, the Sedona St. Patrick's Day Parade has not had any serious injuries over the past ten years and we would like to keep that record going for another 10 years, with your help and cooperation.

- **The physical handout/distribution of candy by parade participants is ALLOWED and ENCOURAGED.** All candy must be in the original wrappers. **Throwing candy is NOT ALLOWED**, by request of the City of Sedona Police Department.
- **NO ALCOHOLIC BEVERAGES MAY BE CONSUMED PRIOR TO OR DURING YOUR PARTICIPATION IN PARADE ACTIVITIES.**
- Any equestrian participant must be at least 10 years old.
- All equestrian participants under 16 years old must wear protective head gear (helmet).
- Motor vehicles may not break traction at any time and not exceed the pace of the walking entrants.
- Handouts (candy or material) should be placed at the back of the vehicle or float. A child in Florida was killed when trying to re-supply his candy to hand out in a parade from the side of the float and was run over.
- Sedona Main Street Program must be notified at least 24 hours before the parade of any changes (number of people, size and types of vehicles/float etc.) in your parade entry.
- All entries/floats must be completed BEFORE you arrive at the staging area.
- An entry will be considered a business entry (Business Entry Fee) if any businesses logo/name appears on any vehicle or float.
